DAILY SCHEDULES

Weekday classes are held on Monday through Thursday from:

8:00 a.m. to 12:30 p.m.
1:00 p.m. to 5:30 p.m.
5:30 p.m. to 10:00 p.m.

Physical Therapist Assistant weekday classes are held Monday through Thursday from:

8:00 a.m. to 12:30 p.m.
12:15 p.m. to 5:15 p.m.

The above Physical Therapist Assistant schedule is typical, but is subject to change. Beginning in 2022 some classes within the PTA program will contain distance education coursework. Distance education coursework is completed at a location determined by the student.

DAILY SCHEDULES Professional Development, HVAC, MBOA, and PMA

In a hybrid program, classes are conducted on-campus and online. On-campus attendance is required two days per week during each academic week. Online attendance events include completing a quiz, test, final exam or posting a response to a Discussion Board prompt. Active engagement, the completion of assignments along with attendance events, will be monitored on a weekly basis. The scheduled class days on the above calendar represent the on-campus sessions for hybrid /IDL programs.

The Academic Week at Institute of Technology for hybrid classes for each five (5) week module follows this schedule:

Week 1: Monday through Sunday

Week 2: Monday through Sunday

Week 3: Monday through Sunday

Week 4: Monday through Sunday

Week 5: Monday through Thursday

Revised: November 22, 2023

Facilities

Institute of Technology-Redding Campus is located at 1755 Hilltop Drive, Redding, CA 96002. The campus is easily accessible from Highway 5. The campus occupies approximately 32,400 of square feet with 11 classrooms, 4 medical labs, 3 HVAC labs, and administration offices. The maximum number of students in any classroom is 36. The average classroom size is 20.

Institute of Technology-Redding Campus has designated areas for student parking and breaks.

There is also a Student Success Center available for student use. This facility has been designated as a smoke-free environment.

The campus is open Monday through Thursday from 7:00 am to 10:30 pm and Friday from 7:00 am to 4:30 pm .

Classes are scheduled from 8:00 a.m. to 10:30 p.m., Monday though Thursday, and 8:00 a.m. to 3:00 p.m. on Friday.

RENTAL HOUSING NEAR THE REDDING CAMPUS

A one bedroom apartment near the campus is estimated to cost \$954.00 per month in U.S. Currency.

Equipment

The campus is equipped with audio/visual equipment such as projectors and TV/Video/DVD players, which assist the instructor in creating a production based learning environment. Computer labs are organized to maximize learning outcomes central to a specific course of study. Desktop computers are networked in most classrooms throughout the campus.

Students in Heating, Ventilation and Air Conditioning work in labs designed to compliment equipment used in their career paths. HVAC students will troubleshoot Compressors, Ice Machines and other refrigeration units, Residential and Commercial AC and Heating Units. HVAC students will be provided tool kits that include tools appropriate to the trade.

Students enrolled in the Pharmacy Technician program will work with various mock prescription labs. Students enrolled in the Professional Medical Assistant Program will work with sample Electronic Medical Record (EMR) software and with equipment common to a medical office. Medical Billing and Office Administration students will work on sample Electronic Med-

ical Record (EMR) software that is common to the medical billing field. Some of the Vocational Nursing lab equipment includes mannequins, medication carts, and patient monitors. Physical Therapist Assistant student lab equipment examples include patient tables, treadmill, stethoscopes, walkers, canes, weights, and more.

Vocational Nursing Addendum

ACCREDITATION AND CERTIFICATION

Institute of Technology is authorized and fully approved by the Board of Vocational Nursing and Psychiatric Technicians (BVNPT), 2535 Capitol Oaks Drive, Suite 205, Sacramento, CA 95833-2945, telephone (916) 263-7800; fax (916) 263-7859, www.bvnpt.ca.gov. A copy of this Bureau approval is on display in the lobby entrance of the Institute of Technology.

ACADEMIC ASSISTANCE

Institute of Technology instructors are available during their scheduled office hours to assist students with academic issues. Specific hours for each instructor will be noted on course syllabi. Institute of Technology also provides students with the opportunity to practice skills during "Open Lab" time, which will be posted at the beginning of each semester. The various labs will be supervised by instructors to assist students on an as-needed basis. We encourage students to use the Open Labs time to perfect hands-on skills such as computer software, office skills, lab procedures, beginning and intermediate nursing skills, NCLEX review, etc.

In conjunction with the Academic Services Department, additional academic assistance may be provided in the form of one-on-one or small group instruction.

GENERAL ADMISSIONS REQUIREMENTS

In order to begin the admissions process into the Vocational Nursing program at Institute of Technology, an applicant must provide proof of high school graduation or its equivalent. Proof is defined as high school transcripts or a GED Certificate.

In order to begin the admissions process into the Vocational Nursing program at Institute of Technology, an applicant must provide proof of high school graduation or its equivalent. Proof is defined as any of the following:

- High school diploma
- Official High School Transcripts (showing completion)
- GED Certificate
- Proof of CA high school equivalency exam
- Official college transcripts showing minimum of an associate degree from an accredited U.S. college or university
- In the event of foreign transcripts, they must be officially evaluated and determined to meet the equivalent of a 12th grade education in the U.S.

ENTRANCE EXAMINATION REQUIREMENTS

- Evaluation Used: SLE (Wonderlic)
Minimum score: 20
- Evaluation used: Flexi Quiz
Minimum score: 62

ADMISSIONS DECISIONS

No one is guaranteed admission by meeting the minimum requirements of a high school/GED diploma or equivalent or by passing an equivalency exam. Often, there are more applicants than available seats in a given program. Many factors are taken into consideration by the Admissions Department. Applicants who are admitted may be judged based on their readiness to succeed. The following represents possible evaluation measures:

- Interview by VN Admissions Committee
- On site written personal goal assessment
- Computer competency assessment
- PSB computerized exam

A copy of the complete VN admissions process and selection criteria is available by contacting an Admissions Representative

IMMUNIZATIONS

Students enrolled in any Health Occupations program will be required to have a physical examination, which will provide written documentation that their health will permit them to meet the physical requirements of their chosen field. Specifically, the health practitioner will provide Institute of Technology with the following health certification:

- Physical exam form documenting satisfactory health and physical ability
- Negative TB skin test or chest x-ray
- Current immunization record or laboratory report showing immunity to (as per Public Health criteria):
 - Hepatitis B vaccine (series)
 - Influenza vaccine
 - Measles, mumps and rubella (MMR) vaccine
 - Tetanus, diphtheria, and acellular pertussis (Tdap) vaccine
 - Varicella vaccine (not zoster vaccine)

(Continued on page 15)

Vocational Nursing Addendum

(Continued from page 14)

DRUG SCREEN AND BACKGROUND CHECKS

Most clinical facilities require evidence of a “clear” background check prior to participating in clinical rotation. **Clear is defined as without sexual/elder/child/spousal abuse, un-acquitted felonies, embezzlement, misdemeanor which includes an element of monetary theft.**

Institute of Technology utilizes an online source for background checks. Students will undergo a background check prior to attending clinical rotations. Background checks are not performed as a condition of enrollment into the program.

All Institute of Technology students will undergo a pre-enrollment drug screen prior to program admission. Institute of Technology also participates in random drug screening throughout the course of each program or if a student's behavior is suspicious of drug or alcohol use. ***Please refer to our Drug Screening Policy described in the Institute of Technology Catalog and VN Program Handbook.**

TRANSFER OF CREDIT FROM INSTITUTE OF TECHNOLOGY

The Vocational Nursing program units do not transfer directly to an RN program; however, once a student passes the state licensure examination (NCLEX-PN) and receives their license, the license is typically transferable into an LVN-to-RN bridge program, provided the student has completed the prerequisites of the LVN-to-RN bridge program. Prerequisites of the LVN-to-RN bridge program are not the same as the Institute of Technology VN prerequisites. It is the receiving institution's prerogative whether or not to accept any coursework from Institute of Technology. Institute of Technology will assist any educational institution to facilitate a graduate's continuing education.

ATTENDANCE

Students are expected to attend all sessions of each class in which they are enrolled. Attendance to all classes is required to establish a foundation for nursing skills and theory. Failure to attend theory, skills lab, or clinical classes may result in a student's inability to meet course objectives.

While illness and emergencies occur, it is expected that students attend at least 90% of all theory hours and 95% of all skills/clinical hours. Absences greater than 10% of Theory or 5% Skills/Clinical hours may result program termination. All missed hours must be

made up. If 8 hours or more are missed the student will be placed on “AT RISK”. If additional hours are missed, the student may be placed on “VN PROBATION”.

Students may make up theory and skills lab hours during the course of the semester. Clinical absences, however, can only be made up during the make up week following finals week when an additional clinical day is available. In this case, the student will receive an “I” (Course Incomplete) until the hours have been completed during the make up week.

Note: Clinical make up options are not always available, such as specific clinical rotations, until the following semester which may necessitate students repeating a semester. More hours missed than can be made up during the make up week may necessitate students repeating a semester.

All missed theory or skills lab hours must be made up in the Theory or Skills “Open lab” with specific objectives being completed. A Mandatory Attendance form will be completed by the instructor with specific assignments listed. Acceptable methods of make up for theory, skills lab or clinical are at the discretion of the course instructor or as identified below:

- Theory – Acceptable methods of make-up may include:
 - Case Studies
 - Independent study in the Theory “Open Lab”
 - Written examination
 - Attendance at seminars or workshops
 - Auto tutorial laboratory
 - Research Reports
- Skills – Acceptable methods of make-up include:
 - Attendance in the Skills “Open Lab” – Instructor demo, practice and/or return demonstration on Skill of the week.
- Clinical – Acceptable methods of make-up include:
 - Performance evaluation in skills laboratory
 - Or, if available additional time in the clinical area with clients/patients.

It is the student's responsibility to insure that make up work for absences is completed and documentation submitted. The complete Attendance Policy and

(Continued on page 16)

Vocational Nursing Addendum

(Continued from page 15)

other policies are described in the IOT VN Program Handbook.

GRADING SYSTEM

Student performance evaluation is based on the combined scores received on homework assignments, quizzes, projects, skills performance, class participation, mid-course exams, Independent Study projects, and final examinations. All scores earned are converted to a percentage of the total score possible within each course. The range of the percentages converted to the letter grade as shown below will determine the final grade in each course. All course final grades are recorded as a letter grade. The progress or grading system by which students will be evaluated is as follows:

PERCENT	GRADE
90-100%	A
80-89%	B
75-79%	C
74% or below	F

Grading

The grading standards, with the grade point equivalents, are as follows:

GRADE	RATE	Grade Points/Unit
A	Excellent	4.00
B	Good	3.00
C	Satisfactory	2.00
F	Failing	0.00
Pass/No Pass	Externships Only	0.00
I	Course Incomplete	
CH	Challenge	
TC	Transfer Credit	

The grade-point average (GPA) is determined by dividing the total grade points earned by the total units attempted.

SUMMARY OF REQUIREMENTS FOR LICENSURE AS A VOCATIONAL NURSE

Section A

1. Minimum Age - 17 Years.
2. Completion of the 12th Grade of schooling or its

equivalent (furnish proof).

3. Complete and sign the "Application for Vocational Nurse Licensure".
4. Complete and sign the "Record of Conviction" form.
5. Submit the required Department of Justice (DOJ) and Federal Bureau of Investigation (FBI) fingerprints. (see "Important Fingerprint Information.") **Note: A License will not be issued until the board receives the background information from DOJ.**
6. Attach the appropriate nonrefundable fee made payable to the "BVNPT".
7. Successful completion of a written examination titled the National Council Licensing Examination for Practical (Vocational) Nursing (NCLEX) or the National League for Nursing Test Pool Practical Nursing Examination (NLN). A passing score on a Registered Nurse examination will not satisfy this requirement.
8. When the requirements of Steps 1-7 have been met, the Board will advise you of the Initial License Fee to be paid. **This fee is in addition to the application fee.** It takes 4-6 weeks to process your license.

Section B

1. **Graduate of a California Approved School of Vocational Nursing.**

Successful completion of a California Approved Vocational Nursing Program. Contact your program director for application forms and instructions.

2. **Graduate of an Out-Of-State School of Practical/Vocational Nursing.**

The school of practical/vocational nursing from which you graduated must have been approved by the Board of Nursing in the State in which it is located.

(Licensure in another state does NOT entitle you to practice as a Licensed Vocational Nurse in California. In order to practice as a Licensed Vocational Nurse in California, you must be licensed by the California State Board of Vocational Nursing and Psychiatric Technicians.)

3. **Equivalent Education and/or Experience.**

This method **requires** you to complete within ten (10) years prior to the date of application not less than fifty-one (51) months of paid general duty bedside nursing experience in a general acute

(Continued on page 17)

Vocational Nursing Addendum

(Continued from page 16)

care facility approved by the Board, at least half of which shall have been within five (5) years prior to the date of application. In addition to this experience, you must also complete a pharmacology course of at least 54 theory hours that covers the following content:

- Knowledge of commonly used drugs and their action
- Computation of dosages
- Preparation of medications
- Principles of administration

The 51 months of experience shall include a minimum of each of the following:

- 48 months medical/surgical nursing
- 5 weeks maternity or genitourinary nursing
- 5 weeks pediatric nursing

Experience in any of the following areas may be substituted for a maximum of eight (8) months of medical/surgical experience:

- Communicable Disease Nursing
- Public Health Nursing
- Industrial Nursing
- Office Nursing (M.D.)
- Psychiatric Nursing
- Operating Room Nursing
- Hemodialysis
- Private Duty Nursing (In a general acute care facility)
- Emergency Room Nursing
- Geriatric Nursing
- Recovery Room Nursing
- Out-Patient Clinic

Experience must be verified by the employer showing specific dates of employment and shall include certification from the R.N. Director or Supervisor that the applicant has satisfactorily demonstrated the following knowledge and skills:

a. **Basic Bedside Nursing**

- Ambulation Techniques
- Intake and Output
- Bed making

- Neurological Check
- Catheter Care
- Personal Hygiene and Comfort Measures
- Collection of Specimens
- Positioning & Transfer
- Diabetic Urine Testing
- Range of Motion
- Enema
- Skin Care

b. **Aseptic Technique (May be demonstrated in classroom, lab, and/or patient care settings)**

- Urinary Catheterization
- Sterile Dressing Change
- Sterile Irrigations

Applicants with formal nursing education may submit official transcripts for evaluation for possible credit in lieu of paid bedside nursing experience. The transcripts must be submitted to the Board directly from the school and must show theory and clinical hours completed.

c. **Nursing Service in the Medical Corps of any Branch of the Armed Forces of the United States. This method requires you to:**

- a. Submit proof of having at least twelve (12) months service on active duty in the medical corps of any of the armed forces rendering bedside patient care. The proof submitted must show date(s) and wards assigned.
- b. Submit proof of having completed a basic course of instruction in nursing while in the armed forces.
- c. Submit proof that service was honorable (DD-214).
- d. **Note:** A combination of military and nonmilitary experience is not acceptable under this method. Proof of 12th grade education is not required under this method.

(Continued on page 18)

Vocational Nursing Addendum

(Continued from page 17)

d. **4-Year Expired California Licensed Vocational Nurse.**

Section 2892.1 of the Business and Professions Code specifies that a license which is not renewed for 4 years shall expire. An expired license cannot be renewed, re-issued or reinstated. The licensee is required to submit a new application and retake the licensure examination to receive a new license.

Applicants under this method must submit evidence of prior licensure with this Board (i.e., copy of expired license or license number, original issue date and expiration date.)

Please Note: State Boards of Nursing in many states require graduation from an approved school of nursing. Please be aware that if you are deemed eligible for licensure in California using another method of qualifying (i.e., military experience or equivalent education and experience) you may not be eligible for licensure by endorsement in other states.

Physical Therapist Assistant Addendum

ACCREDITATION AND CERTIFICATION

The Institute of Technology (IOT) is fully accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC) to award associate degrees and certificates. The contact information for ACCSC is 2101 Wilson Blvd, Suite 302, Arlington, VA, 22201 or accsc.org.

Graduation from a physical therapist assistant education program accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 3030 Potomac Ave., Suite 100, Alexandria, VA 22305-3085; phone: 703-706-3245; accreditation@apta.org is necessary for eligibility to sit for the licensure examination, which is required in all states.

Effective October 29, 2019, the Physical Therapist Assistant program at the Institute of Technology has been granted Candidate for Accreditation status by the Commission on Accreditation in Physical Therapy Education (3030 Potomac Ave., Suite 100, Alexandria, VA 22305-3085; phone: 703-706-3245; email: accreditation@apta.org). If needing to contact the program/institution directly please call Josh Green, Physical Therapist Assistant Program Director at (530) 224-1000 or email jgreen@iot.edu.

Candidate for Accreditation is a pre-accreditation status of affiliation with the Commission on Accreditation in Physical Therapy Education that indicates that the program is progressing toward accreditation and may matriculate students in technical/professional courses. Candidate for Accreditation is not an accreditation status nor does it assure eventual accreditation.

GENERAL ADMISSIONS REQUIREMENTS

In order to begin the admissions process into the Physical Therapist Assistant program at Institute of Technology, an applicant must provide proof of high school graduation or its equivalent. Proof is defined as any of the following:

- High school diploma
- Official High School Transcripts (showing completion)
- GED Certificate
- Proof of CA high school equivalency exam
- In the event of foreign transcripts, they must be officially evaluated and determined to meet the equivalent of a 12th grade education in the U.S.

ENTRANCE EXAMINATION REQUIREMENTS

- Evaluation Used: SLE (Wonderlic)
Minimum score: 20
- Evaluation used: Math Exam
Minimum score: 20

ADMISSIONS DECISIONS

No one is guaranteed admission by meeting the minimum requirements of a high school/GED diploma or equivalent or by passing an equivalency exam. Often, there are more applicants than available seats in a given program. Many factors are taken into consideration by the Admissions Department. Applicants who are admitted may be judged based on their readiness to succeed. The following represents possible evaluation measures:

- Interview by PTA Admissions Committee
- Volunteer Hours and Writing Sample
- Wonderlic and Math Exams

A copy of the complete PTA admissions process and selection criteria is available by contacting an Admissions Representative

IMMUNIZATIONS

Prior to the beginning of clinical experiences, students enrolled in the Physical Therapist Assistant program will be required to provide the Director of Clinical Education with proof of the following:

- Negative TB skin test or chest x-ray (annually)
- Current immunization record or laboratory report showing immunity to (as per Public Health criteria):
- Hepatitis B vaccine (series)
- Influenza vaccine
- Measles, mumps and rubella (MMR) vaccine or titer
- Tetanus, diphtheria, and acellular pertussis (Tdap) vaccine
- Varicella vaccine (not zoster vaccine) or titer
- Annual flu vaccine, if required by clinical site
- Additional requirements per clinical site

(Continued from page 19)

DRUG SCREEN AND BACKGROUND CHECKS

Most clinical facilities require evidence of a “clear” background check prior to participating in a clinical rotation. Clear is defined as without sexual/elder/child/spousal abuse, un-acquitted felonies, embezzlement, misdemeanor which includes an element of monetary theft.

Institute of Technology utilizes an online source for background checks. Students may be required to undergo a background check prior to attending clinical rotations. Background checks are not performed as a condition of enrollment into the program.

During the clinical portion of study, the student may be subject to random drug testing at a clinic site based on the facility’s policy.

ATTENDANCE

In order to facilitate optimal learning and promote professionalism in the classroom and workplace, daily attendance is required for all classes/ experiences in the PTA curriculum. Because attendance and punctuality are important responsibilities in the classroom, laboratory and clinical practicums – absences and tardiness are not only discouraged, but penalized. Any tardy will be recorded in the student’s record. The student is afforded up to three (3) absences (excused/ unexcused) per class, per term and every two (2) tardiness count as one (1) absence.

Clinical practicums are an essential component of the IOT PTA Program. Students are expected to follow the hours full-time hours set by the clinic site which are greater than the typical hours of on-ground classes. If the school has a designated holiday, the clinic site will determine the student’s schedule. The student may be required to make up any missed clinical hours.

If the student is ill, the student must contact the clinic site, the CI, and the DCE prior to the scheduled start time for that day. For any extended illnesses, the student must present a note from a physician stating it is safe to return to the class/clinic.

Students have the opportunity to make up theory or skills lab hours in the Theory or Skills “Open lab” with specific objectives being completed. Acceptable methods of make up for theory, skills lab or clinical are at the discretion of the course instructor or as identified below:

- Theory or Lab – Acceptable methods of make-up

may include:

- Case Studies
- Independent/guided study in “Open Lab”
- Written examination
- Attendance at seminars or workshops
- Auto tutorial laboratory
- Research Reports
- Clinical – Acceptable methods of make-up include:
 - Additional time in the clinical area with clients/patients.

It is the student’s responsibility to ensure that make up work for absences is completed and documentation submitted. The complete Attendance Policy and other policies are described in the IOT PTA Program Handbook.

GRADING SYSTEM

Student performance evaluation is based on the combined scores received on homework assignments, quizzes, projects, skills performance, class participation, mid-course exams, Independent Study projects, and final examinations. All scores earned are converted to a percentage of the total score possible within each course. The range of the percentages converted to the letter grade as shown below will determine the final grade in each course. All course final grades are recorded as a letter grade. The progress or grading system by which students will be evaluated is as follows:

PERCENT	GRADE
90-100%	A
80-89%	B
70-79%	C
60-69%	D
Below 60%	F

Grading

The grading standards, with the grade point equivalents, are as follows:

GRADE	RATE	Grade Points/Unit
A	Excellent	4.00
B	Good	3.00
C	Satisfactory	2.00

(Continued on page 21)

Physical Therapist Assistant Addendum

(Continued from page 20)

D	Unsatisfactory	1.00
F	Failing	0.00
Pass/No Pass		0.00
I	Course Incomplete	
CH	Challenge	
TC	Transfer Credit	

The grade-point average (GPA) is determined by dividing the total grade points earned by the total units attempted.

ACADEMIC ASSISTANCE

Institute of Technology instructors are available during their scheduled office hours to assist students with academic issues. Specific hours for each instructor will be noted on course syllabi. Institute of Technology also provides students with the opportunity to practice skills during "Open Lab" time, which will be posted at the beginning of each semester. The various labs will be supervised by instructors to assist students on an as-needed basis. We encourage students to use the Open Labs time to perfect hands-on skills such as computer software, office skills, lab procedures, beginning and intermediate physical therapy skills, NPTE-PTA review, etc.

In conjunction with the Academic Services Department, additional academic assistance may be provided in the form of one-on-one or small group instruction.

DEFINITION OF CREDIT UNIT EARNED

Institute of Technology measures progress by semester credits. One semester credit hour is awarded for:

- A minimum of 22.5 clock hours of lecture, or
- A minimum of 30 clock hours of lab, or
- A minimum of 45 clock hours of externship

One clock hour equals a minimum of 50 minutes. See the Course Descriptions for the specific credits for each course.

Programs that do not lead to a degree or completely transfer to a degree program are subject to clock to credit hour conversion for the purposes of awarding credit and payment of Title IV funds. For a semester credit hour, non-term program the conversion is 1 credit per 37.5 hours of instruction.

Summary of Requirements for Licensure as a PHYSICAL THERAPIST ASSISTANT

1. Graduate from an accredited PTA Program.
2. Apply for licensure with the Physical Therapy Board of California and pay associated fees (\$300).
 - a. Submit P1E form (certificate of completion from an accredited institution)
 - b. Live Scan Finger Print Processing (fees vary)
3. Take and pass the National Physical Therapy Exam – Physical Therapist Assistant (\$485 FSBPT + \$70 Prometric testing center)
4. Take and pass the California Law Exam (CLE) a one hour 51-question multiple choice exam (\$65 FSBPT + \$25 Prometric testing center)

Catalog Changes

Catalog Pg. 79

Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, California 95834, (916) 574-8900 or (888) 370-7589.

Catalog Pg. 76

Physical Therapist Assistant Program

Physical Therapist Assistant Program Transferability of previous college credits to be applied to the Physical Therapist Assistant (PTA) program is determined on an individual basis by the Campus President, Director of Education and Program Director. Institute of Technology recommends that each student completes the curriculum in its entirety, but exceptions will be made on preparatory/general education course work*. Transfer credit will not be considered for PTA "core" course work or clinical rotations. Transfer credit from previous college course work may be considered for the following PTA General Education (GE) courses:

Anatomy & Physiology
Introduction to Psychology
General Algebra & Physics
English
Communication

* The Program Director, Director of Education and Campus President may approve exceptions for PTA students who enroll in Communication, English, Introduction to Psychology, or General Algebra & Physics, and do not pass with a "C" or better. Students may be allowed to transfer in credit from another institution prior to graduation. Students must request approval from the PTA Program Director to transfer credits for failed GE coursework. Per the PTA Policy and Procedure Manual:

Progression through the Program

1. Students must complete PTA technical courses in sequence and General Education courses per the PTA Program Outline prior to clinical assignment.
2. General Education Courses:
 - Students must have a "C" or better in BIO 105 or equivalent transfer credits to progress to Semester 2.
 - Students must complete all General Education courses or equivalent transfer credits with a "C" or better prior to graduation.

Catalog Pg. 58-62

QUALITATIVE EVALUATION

Students must complete each class in the program within a minimum GPA of 2.0 (70%, the equivalent of a letter grade of C) or higher. Students are expected to maintain a minimum of a 2.0 grade point average. Students not maintaining at least a 2.0 GPA (70%) when measured at the end of the module will be placed on academic probation until the end of the next module. Students on probation are eligible for financial aid during the probation period. Students who do not achieve a 2.0 grade point average (70%) at the end of the probation period may be terminated by Institute of Technology. Because nursing program content is presented in a sequential manner, Vocational Nursing students must maintain a 2.5 GPA (75%) at the end of each semester in order to proceed to the next semester. Cumulative grades are assessed throughout the semester. If a student's GPA falls below 2.5 (75%), they may be placed "At Risk" or on "VN Academic Probation". Physical Therapist Assistant (PTA) students must maintain a 2.0 GPA (70%) for each class at the end of each semester to proceed to the next semester. PTA students must achieve a 70% in each class and no less than a 76% on practical exams, any class grade below 70% or practical exam grade below 76% will result in failure of the class and may result in dismissal from the PTA program. Students must complete PTA technical courses in sequence in order to progress to the next semester.

QUANTITATIVE EVALUATION

Students are expected to complete the program within 100% of the normal time frame and may not exceed 150% of the normal projected time frame in any defined academic year, and may not exceed one and one half times the length of the program. For example, students may attempt a maximum of 86-quarter credit hours in a 57-quarter credit hour program.

Students must also successfully complete 67% of their attempted units. At each evaluation point, each student's cumulative grade point average and completion rate is reviewed to determine if she/he is meeting the standards. The "SAP at a Glance Chart" defines the unit completion requirements. Successful progression toward program completion is one aspect of satisfactory progress. Individual programs vary in length, please refer to program descriptions for specific unit requirements.

A successful completion of a credit attempted is defined as a student enrolling in the course, and

(Continued on page 23)

Catalog Changes

(Continued from page 22)

successfully passing the course based upon the grading criteria. Classes that a student has repeated, withdrawn from, or has been discharged from will count towards the attempted credits.

SAP at a Glance Chart

Unit Completion Requirements (SAP)

Undergraduate	Total Units	Minimum Completion of Credits Attempted
Academic Year One	39	26
Academic Year One and One Half	60	40
Academic Year Two	90	60

CONSEQUENCES OF FAILURE TO MEET SAP STANDARDS

Satisfactory Academic Progress (SAP) "Warning"

A student, who has failed to meet SAP standards, will be notified by the Academic Review Committee. The student will be required to sign a "Change of Status" form indicating that they have been placed on Satisfactory Academic Progress (SAP) "Warning" for failure to maintain SAP. A re-evaluation of the student's academic progress will be scheduled at the end of the following enrollment period (or payment period for financial aid review).

While a student is placed on Satisfactory Academic Progress (SAP) "Warning," a student will continue to have all rights and privileges afforded to all students. Students who are not successful during the Satisfactory Academic Progress (SAP) "Warning" period can follow the institution's SAP appeal process.

SAP Appeal Process—Submitting an SAP Appeal

Students have the right to appeal a SAP determination. The appeal must be filed within fourteen (14) days in writing. The student shall make the appeal in writing, with all supporting documentation for consideration. All appeals shall be submitted to the Director of Student Services, Director of Education or Campus President.

The student must clearly identify the particular reason for the appeal such as; the death of a relative, an injury or illness of the student, or other special circumstance related to the appeal.

The letter must describe the reason why the student failed to make Satisfactory Academic Progress (SAP) and what has changed that will allow the student to demonstrate Satisfactory Academic Progress at the next evaluation period.

Satisfactory Academic Progress (SAP) "Probation"

If a SAP appeal is granted the student may remain in school for one additional grading period as the Satisfactory Academic Progress (SAP) "Probation" period. A student receiving financial aid may still be eligible for financial aid while on SAP "Probation". A student who cannot meet the SAP standard at the end of the SAP "Probation" period, may be terminated from the program, unless an appeal has been submitted and approved, or the student is determined to be complying with the signed "Academic Action Plan." The student will be notified in writing by the Financial Aid office.

Satisfactory Academic Progress (SAP) "Suspension"

Upon the determination that the student was not successful during the Satisfactory Academic Progress (SAP) "Warning" period, the student will be placed on Satisfactory Academic Progress (SAP) "Suspension", pending an appeal determination. While on SAP "Suspension," the student will not be eligible for Title IV Funds or Agency funds, including VA Benefits.

ACADEMIC "ACTION PLAN"

Before an SAP appeal may be granted, a written Academic "Action Plan" must be provided to the student which clearly identifies a viable plan for the student to successfully complete the program within the maximum timeframe allowed. If it is determined after an initial appeal is granted that the student cannot complete the program within the maximum timeframe, a supplemental appeal may be submitted for consideration. If the supplemental appeal is not granted, the student will be terminated.

At the end of the Satisfactory Academic Progress (SAP) "Probation" period, the student must be meeting SAP. If the student is not meeting SAP, but is successfully following an established Academic "Action Plan", the student would continue to be

(Continued on page 24)

Catalog Changes

(Continued from page 23)

eligible and remain in school. The student must agree to the Academic "Action Plan" established jointly with the college. A student must also appeal to change their Academic "Action Plan". The student must explain what has happened to make the change necessary and how they will be able to make academic progress.

A student will be evaluated for compliance with the SAP standards while on an Academic "Action Plan" and will be evaluated as to whether the student is successfully following the Academic "Action Plan" at the end of each enrollment period. If at the end of an enrollment period, a SAP appeal is not granted, or a student is determined to not be complying with an SAP "Action Plan," the student will be terminated from the school.

REINSTATEMENT OF FINANCIAL AID ELIGIBILITY

Students who have lost their eligibility for financial aid due to lack of satisfactory progress during the probation period, may regain eligibility by remaining in school and meeting the school's satisfactory progress policy for one module. Students may be paid for the payment period in which they regain satisfactory progress, but not for any payment periods in which they did not meet the standards. Students may be reinstated to receive financial aid in one of two ways:

1. By appeal to and approval of the Academic Review Committee.
2. By remaining in school and re-establishing compliance with the minimum cumulative GPA and Institute of Technology standards.

RE-ADMITTED STUDENTS

When a student who has been placed on Satisfactory Academic Progress (SAP) "Warning," "Suspension," or "Probation," for failure to meet SAP standards withdraws from a program and later re-enters, the Satisfactory Academic Progress (SAP) status must be resumed. A SAP Appeal must be submitted and approved, and an Academic "Action Plan" must be developed and signed prior to resuming classes.

A student cannot choose to withdraw from a program to satisfy SAP standards. Upon re-entering, all previous SAP restrictions, according to the SAP status will be enforced.

TRANSFER STUDENTS

A student who transfers from one program to another will not be subject to qualitative and quantitative standards for courses not accepted for credit in the new program.

UNABLE TO ACHIEVE SAP STANDARDS

If at any point in the program, the college has determined that a student cannot achieve the minimum SAP standards required for graduation, the college will withdraw the student from the program and notify the student immediately. (E.g. In evaluating a student, IOT determines a student who continues in the program will exceed the Maximum Time to Complete). A student may follow the SAP Appeal process.

IOT allows for an appeal of the Maximum Time to Complete; however, a student who is given notification that the college has determined that if he/she continues in the program he/she will exceed the Maximum Time to Complete, and must be withdrawn, may submit an appeal as outlined above, to be permitted to continue in the program beyond the Maximum Time to Complete and continue to receive Title IV aid, if otherwise eligible.

A student who is successfully following an established Academic "Action Plan" taking the student through to completion of their program, even beyond the Maximum Time to Complete, is not required to submit a new appeal, unless a change to the academic plan is requested.

- Example: A student could continue to receive Title IV aid, if otherwise eligible, if the student's academic plan includes the possibility of successfully completing their program within 59 credits, instead of the required 57 credits (150% of their program) in the student's final term of the program.
- If the student fails to complete the program within the permitted 59 credits according to their plan, the student would be withdrawn by the college as set forth above—subject to any appeal.

ACADEMIC REVIEW AT EACH "GRADING PERIOD"/"ARC PLAN" (NON-TERM BASED PROGRAMS)

Satisfactory Academic Progress (SAP) is reviewed at the end of each "payment period" for non-term programs; however, in the interim, if at the end any "5 week class period," a student is not meeting the required academic standards to be successful in their program, the student will be placed on "Academic Review."

(Continued on page 25)

Catalog Changes

(Continued from page 24)

The student then must meet and work with a member of the "Academic Review Committee," usually the Student Success Leader (SSL). They will work to develop and sign an "Academic Review plan (ARC plan)" designed to permit the student to meet the required academic standards within the next "5 week class period."

The period can be extended in the "ARC Plan" if the student requires more than one "5 week class period" to meet the requirements.

Students who have failed four (4) non-term based classes may be terminated from enrollment, as they may be unable to complete the program within the maximum time frame to complete—MTFC. Students may follow the Appeal Process.

SATISFACTORY ACADEMIC PROGRESS (SAP) "PROBATION" FOLLOWING ACADEMIC REVIEW

If at the end of the non-term based "payment period" a student is determined to have failed to meet the Satisfactory Academic Progress (SAP) standards, the student will be placed on Financial Aid Warning.

The student may remain in school for one additional "payment Period" defined as the Satisfactory Academic Progress (SAP) "Probation" period. A student receiving financial aid may still be eligible for financial aid while on Financial Aid Warning.

A student placed on Financial Aid Warning will be reviewed at the end of the next "payment period" for Satisfactory Academic Progress (SAP). The student will be reviewed again at the end of each class period by the Academic Review Committee (ARC) to determine if the student is complying with the signed SAP Academic "Action Plan."

The plan is designed to permit the student to again meet SAP standards so that the student may continue to receive Federal Aid and Agency funding for the remainder of the "Payment Period."

Impact on Satisfactory Academic Progress, Course Repetitions, Withdrawals, Incompletes, and Pass/Fails

- Students who are eligible to repeat a class should be aware that all credits count as credit hours attempted for the quantitative evaluation (time frame) and are used in the GPA calculation.
- Students in module programs, will be given a grade of "I" (Incomplete) if they do not fulfill the assignments or objectives within the first five weeks of the class. . The number of credits

attempted for that module would not be computed in the cumulative grade point average until the student has completed the coursework.

- Students granted an "I" are expected to complete the required work within the next week, with supervision from the instructor of record. Upon completion of the coursework, the instructor will replace the "I" with the earned letter grade.
- Students who do not complete the terms of the incomplete by the first week of the subsequent module, will have the "I" grade replaced by the earned grade indicated by the instructor. Taking an incomplete could alter a student's schedule of classes, the student's eligibility to continue required course work in sequence, and may result in dismissal from the academic program.
- Students may request a special extension up to, but not exceeding 5 weeks to turn in incomplete work. All extensions must be approved by the Director of Education.
- Pass/No Pass grades receive no "grade points" and are not calculated in the grade point average. If the grade is a pass grade, then the credits count as completed. If the grade is a no pass or fail grade, then the credits do not count as completed. **All credits count as credit hours attempted for the quantitative evaluation (time frame) and are used in the GPA calculation.**
- Module Failure. In order to pass a module, students must achieve at least a 2.0 GPA (70%, the equivalent of a letter grade of C)* in each module within the program enrolled. Students not passing a module must retake that module at the earliest possible scheduling opportunity. Withdrawal "W" entries on a student transcript will receive no grade points and will not be considered when calculating grade point average. If the student was seated in the class and recorded attendance, "W" entries will be counted in the quantitative evaluation as attempted credits. If the student was not seated in the class, "W" entries will not count in the quantitative evaluation.

* See the catalog addenda for more information about grading policies for the Vocational Nursing, Physical Therapist Assistant, and Cosmetology and Barbering programs.

Catalog Pg. 27

Heating, Ventilation & Air Conditioning (HVAC)

(Continued on page 26)

Catalog Changes

(Continued from page 25)

HVAC08-2 Introduction to HVAC Concepts

(6 Qtr. Credit Units, 100 Hours)

This course is an introduction to HVAC mechanical concepts where students will develop appropriate safety practices, proper use and care of tools, and equipment used in the industry. Students will learn how to use tubing and piping as well as best practices for soldering and brazing along with leak checks. Students will gain an understanding of the types and use of gauges and calibration instruments for proper maintenance, troubleshooting, and repair of refrigeration and air-conditioning systems.

HVAC08-6 Advanced Air Conditioning

(6 Qtr. Credit Units, 100 Hours)

This module covers an in-depth look at the components of the air conditioning system which includes the compressor, metering devices, condenser coils and evaporator coils. The class discusses superheat and sub-cooling and how to utilize this information when diagnosing and charging air conditioning systems. Students will practice replacing various components within an air conditioning system and discuss various commercial air conditioning systems.

HVAC08-7 EPA Regulations and Refrigerant Handling

(6 Qtr. Credit Units, 100 Hours)

Students will be reintroduced to EPA regulations and how they pertain to the foundations of refrigeration, heating, and air conditioning. In this module safe system evacuation techniques will be demonstrated along with various types of tubing and piping including hands on skills in soldering and brazing. Students will continue to use proper methods of recovery and reclaiming refrigerant handling and learn proper techniques for evacuating and recharging the system.

VA Catalog Addendum

Institute of Technology

VA Catalog Addendum
2023 Course Catalog

Evaluation of Previous Education and Training, CFR 21.4256(d)(3):

This Institution will conduct an evaluation of previous education and training for all eligible veterans, grant credit when appropriate, shorten the training length proportionately, and notify the VA and the student accordingly.

Satisfactory Academic Progress, CFR 21.4253 – Course Catalog, Qualitative Evaluation, Page 58-62:

Students must complete each class in the program within a minimum Grade Point Average of 2.0 (70%, the equivalent of a letter grade of C) or higher. Students are expected to maintain a 2.0 cumulative GPA. If a student is not maintaining a 2.0 cumulative GPA (70%) when measured at the end of the module the student will be placed on Academic Probation Warning for failure to meet the required standards until the end of the next module. During the Academic Probation Warning period, students must resolve the issues that resulted in being placed on Academic Probation Warning. Students who are not successful during the Academic Probation Warning period can follow the institutions appeal process and remain in school for one additional grading period defined as the Academic Probation period and still be eligible for financial aid. Students who cannot meet the Satisfactory Academic Progress standard at the end of the Academic Probation period, will be terminated from the program. Students receiving VA benefits will receive benefits for the approved program length, not the 150% maximum time frame.

Clarification of Probation Policy – Course Catalog, Page 58-62:

At the end of the probation period, if a student has not satisfied the specific requirements outlined in the specific violation, the student will be terminated and will lose his/her eligibility for Student Financial Aid and VA Benefits with the exception of an approved appeal.

However, the student will remain eligible for Financial Aid and VA Benefits while he/she is on probation. Under no circumstances, however, will a student be allowed to remain in school if they have failed three modules.

Student Deployment Policy

Military students and their spouses called to active duty or deployed from their home station while enrolled in the Institute of Technology will be allowed to withdraw from the currently enrolled module/term/payment period by providing a copy of military orders. All tuition charges/payments related to the module/term/payment period that is interrupted will be refunded in accordance with allowances provided by the U.S. Department of Education. Any tuition increase and re-entry fee(s) will be waived for returning military students and their spouses if returned to the same program within 3 years of completion of military service. Furthermore, students who are hospitalized/convalesced due to service related injury or illness will be allowed to return to school within 2 years of recovery without being assessed applicable tuition increases and/or re-entry fees. Re-entering students should contact Student Services office to ensure a smooth transition back to an active student status. Current tuition and policies (or policy revisions) for military students will apply to all returning military students upon re-entry.

Certification of Enrollment Periods

The institution is required to report the official start and end date of each module (or term, if the student is attending a term based program) in VA-Once. The school is also required to report breaks of 7 days or more. Please be advised that students receiving BAH will not be paid for days between modules or breaks of 7 days or more.

Independent Study

VA students will complete the required independent study component in a campus-based lab setting with instructor supervision.

Tutoring

Per (38 CFR 21.4236) VA may pay tutorial assistance to a student receiving benefits under chapter 30, 35, or 1606, or chapter 33. The purpose is to help students pay for any necessary tutoring. The allowance is a supplement to the claimant's monthly educational assistance allowance. For further information, please visit the Financial Aid Office.

Public Law 115-407: Sections 103 and 104

All individuals who are entitled to educational assistance under chapter 31, Vocational rehabilitation and Employment, or chapter 33, Post-9/11 GI Bill® benefits (subsequently referred to as "covered individual") may attend or participate in the course of education during the period beginning on the date on which the individual provides Institute of Technology a Certificate of Eligibility for entitlement to educational assistance under chapter 31 or 33 (a "certificate of eligibility" can also

VA Catalog Addendum

Institute of Technology

VA Catalog Addendum
2023 Course Catalog

include a "Statement of Benefits" obtained from the Department of Veterans Affairs' (VA) website – eBenefits, or a VAF 28-1905 form for chapter 31 authorization purposes) and ending on the earlier of the following dates:

1. The date on which payment from VA is made to the institution.
2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

Institute of Technology will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.

Furthermore, Institute of Technology requires covered individuals to:

1. Submit a certificate of eligibility for entitlement to educational assistance no later than the first day of a course of education. Any exception must be approved in advance by the Campus president.
2. Submit a written request to use such entitlement.
3. Provide additional information necessary to the proper certification of enrollment by the educational institution. This includes, but is not limited to: copies of a covered individual's DD214 (if applicable), transcripts of prior military education, and transcripts from all colleges attended prior to enrollment at Institute of Technology.

Notice of Cancellation

(COPY ONE OF TWO)

You may cancel this contract for school without any penalty or obligation, through attendance at the first class session, or the seventh calendar day after enrollment, whichever is later. For weekend students, the cancellation must be submitted before 12:00 noon on the second Sunday of class.

If you cancel, any payment you have made and any negotiable instrument signed by you shall be returned to you within 30 days following the school's receipt of your cancellation notice.

But, if the school gave you any equipment, you must return the equipment within 30 days of the date you signed a cancellation notice. If you do not return the equipment within this 30-day period, the school may keep an amount out of what you paid that equals the cost of the equipment. The total amount charged for each item of equipment shall be separately stated. The amount charged for each item of equipment shall not exceed the equipment's fair market value. The institution shall have the burden of proof to establish the equipment's fair market value. The school is required to refund any amount over that as provided above, and you may keep the equipment.

To cancel the contract for school, mail or deliver a signed and dated copy of this cancellation notice, or any other written notice to:

INSTITUTE OF TECHNOLOGY at
1755 Hilltop Drive, Redding, CA. 96002

If you are unable to mail or deliver a written copy of this notice, you may email notice or contact Student Services at (530) 224-1000.

I wish to cancel my contract from **Institute of Technology**

Please Print Name

Signature

Date

Remember you must cancel in writing. You do not have the right to cancel by just telephoning the school or by not coming to class.

If you have any complaints, questions or problems which you cannot work out with the school, write or call:

Bureau of Private Postsecondary Education
P.O. Box 980818
West Sacramento, CA. 95798-0818
Phone: (916) 431-6959
Email: bppe@dca.ca.gov

Or, you may contact:

Accrediting Commission of Career Schools and Colleges
2101 Wilson Boulevard, #302
Arlington, VA 22201
(703) 247-4212

Notice of Cancellation

(COPY TWO OF TWO)

You may cancel this contract for school without any penalty or obligation, through attendance at the first class session, or the seventh calendar day after enrollment, which ever is later. For weekend students, the cancellation must be submitted before 12:00 noon on the second Sunday of class.

If you cancel, any payment you have made and any negotiable instrument signed by you shall be returned to you within 30 days following the school's receipt of your cancellation notice.

But, if the school gave you any equipment, you must return the equipment within 30 days of the date you signed a cancellation notice. If you do not return the equipment within this 30-day period, the school may keep an amount out of what you paid that equals the cost of the equipment. The total amount charged for each item of equipment shall be separately stated. The amount charged for each item of equipment shall not exceed the equipment's fair market value. The institution shall have the burden of proof to establish the equipment's fair market value. The school is required to refund any amount over that as provided above, and you may keep the equipment.

To cancel the contract for school, mail or deliver a signed and dated copy of this cancellation notice, or any other written notice to:

INSTITUTE OF TECHNOLOGY at

1755 Hilltop Drive, Redding, CA. 96002

If you are unable to mail or deliver a written copy of this notice, you may email notice or contact Student Services at (530) 224-1000.
